Our July 2005 statement shows what appears to be a duplicate charges for issue and publication fees in USSN 08/738,742 (Our Ref.: C058/US).

On April 21, 2005 we authorized payment of the small entity issue fee and the publication fee in the above-identified application. On April 21, 2005 our account was debited the large entity issue fee amount. On May 25, 2005 we faxed to you a request for refund of the difference between the small and large entity issue fees. On July 15, 2005 our account was again debited for both the large entity issue fee and the publication fee.

Since it seems likely that the July 15, 2005 debits were made in error, we hereby request that you credit the following amounts to our deposit account:

\$ 700.00 – the refund originally requested April 21, 2005  
\$ 1,400.00 – the second large entity issue fee paid July 15, 2005  
\$ 300.00 – the second publication fee paid July 15, 2005

1,700.00  
+ 700.00  
-----  
\$ 2,400.00

Thank you for your attention to this matter. Please contact me if you have any questions.
